

Steady Tread Step Covers

SC

- Highly visible
- Slip resistant
- Corrosion resistant
- Applicable to any surface
- Quick and easy to install
- Can be walked on immediately after installation
- Flexible and energy absorbent

Step covers provide steps and walkways with a visible nosing and high grip tread area. Durable, slip and corrosion resistant, they can be applied to almost any surface and can be walked on immediately after installation, keeping disruption to a minimum. Flat sheets allow the finish to be carried over landings and walk ways, ensuring a consistent surface. Stock colour is yellow, the preferred choice of the Royal National Institute for the Blind.

Configure can also supply nose grips in any BS or RAL colour.
